

AMENDMENTS TO THE SPECIFICATION

Please replace paragraph [0031] with the clean version of amended paragraph [0031] below. Applicants do not include a marked up version of the amended paragraph in order to remove the hyper link as Examiner requests. For a marked up version of amended paragraph [0031], please refer to Applicants' response filed February 26, 2008.

[0031] A detailed description of the JMX specification can be found on the Sun Website which is, as of the time of this writing, <http://java.sun.com/products/JavaManagement/> (currently version 1.2.1 Reference Implementation).
